Explanations:

1 reduced ticket is available for children who are at least 3 years old, primary school pupils, secondary school pupils and students up to the age of 26;

2 person with disabilities - a person with a recognised significant or moderate degree of disability and a child under 16 with a recognised disability.
(Disabled persons with a severe disability and children up to the age of 16 with a recognised disability are allowed to enter with one guardian as part of the paid single ticket for disabled persons. In this situation, the guardian of the person with a disability is required to supervise the person at all times);

3 cards - "Częstochowa senior", "Family+" and "Large Family Card" - cards entitling to price reductions;

4 organised group - a group of children or a group of young people from primary or secondary schools, consisting of a minimum of 10 persons and 1 adult guardian;

5 designated (named) pass is valid on presentation of a valid ID with a photograph.

6 shared payment card for selected facilities of MOSiR in Częstochowa - the rules of use are defined in separate regulations;

Notice:

The facility staff has the right to require persons who intend to benefit from the price reductions to show relevant, up-to-date documents proving their entitlement to the discounts, including identification documents.
